Engineering Education

Volume 70, Numbers 1-8, 1979-80

The page numbers in this index refer to the eight issues of *Engineering Education* for 1979-80.

1-144	October	379-440	February
145-222	November	441-712	March
223-300	December	713-774	April
301-378	January	775-852	May

Note: The March issue, devoted to Engineering Research and Graduate Study, contains its own detailed index.

In this index, **boldface** type indicates subject headings; *italics* indicate authors (and titles of books reviewed); and titles of articles and departments appear in regular type. Page numbers are explained above.
